Dear BPS Old Girls,

Join us for the Belilios Public School 125th Anniversary Celebration

We are delighted to share with you Belilios Public School (BPS), our beloved alma mater, has come to her 125th anniversary since her set up on March 1, 1890. Being an old girl of the first government school dedicated to education of Hong Kong's young girls, you must be proud to be an old girl of such a special school where we spent many wonderful and memorable years.

To celebrate the 125th Anniversary of BPS and using this opportunity to provide more resources for nurturing current BPS students, two flagship events are jointly organized by Belilios Old Girls Foundation (BOGF) and Belilios Old Girls Association (BOGA). We would like to solicit your invaluable support for these causes. Funds raised will be used for improving the learning environment, supporting student activities and setting up of more scholarships. Three magic words start with the letter "B", "P" & "S" could give you some ideas on how to support the causes:

- **Benevolence:** contribute to scholarships and BPS student activities;
- **Participation:** help organize and attend anniversary dinners, anniversary concerts and other related activities;
- **Sharing:** share news on anniversary activities via your personal network and social media platform, pass on our honoured traditions and values when meeting BPS girls and other old girls.

About Belilios Old Girls Foundation (BOGF)

BOGF is a registered charity under Section 88 of the Hong Kong Inland Revenue Ordinance.
