Support for Student Development

A Whole School Approach is being adopted to facilitate students' all-round development. Pastoral services encompassing career and life planning guidance, cross-curricular programs, discipline, co-curricular activities, service education, environmental education, counselling, moral, civic and national education work hand in hand with the school's commitment to whole person development.

Three Life Wide Learning periods in alternate cycle were structured in the time table to facilitate the implementation of a wide variety of student-centred activities such as Stress Handling, Project Slash, Mental Health and Self-Directed Learning Workshops, My Life Planning Portfolio, Internet Proper Use, Art + Technology, Music Appreciation and Intangible Cultural Heritage Sessions.

To assist students with financial difficulties, the funding from the School-Based Grant was fully utilized to ensure every student would have the opportunity to broaden horizons and explore new frontiers in our global village.

Catering for Learning Diversity

Catering to diversity of students' learning abilities, BPS has instituted the following measures :

- Provision of a broad curriculum with a wide range of subject choices including NSS Music Studies

Permanent Scholarships

We continue to receive donations for setting up new permanent scholarships, which is one of the best ways to benefit BPS.

New Permanent Scholarships Set Up Recently

As part of the 130th Anniversary Fund Raiser, we received HKD 350,000 to set up / top up 6 permanent scholarships:

- 1965** HKD 100,000 from Ms K M Wong in honor of our retired Principal Mrs Mak Ho Yuk Yee
- 1969** HKD 50,000 from Ms L P Chow to top up her permanent scholarship in Chinese Calligraphy in honor of her father.
- 1976** HKD 100,000 from Ms T F Ko to top up her earlier donation for two permanent scholarships in honor of her parents.
- 1988** HKD 50,000 from Ms W L Wong for student with the best improvement in English

Investment of Donated funds

Any multiples of HKD 50,000 establish one or more permanent BOGF scholarship(s). The permanent scholarship funds are invested by the Five Member BOGF Investment Committee in a portfolio of blue chip dividend stocks and income paying mutual funds. The annual income **ONLY**, not the principal, is being used to fund the permanent scholarships. Endowing a permanent scholarship therefore gives the following valuable benefits:

- The entire donation is deductible for HK Income Tax purposes
- The option to name the scholarship in honor of someone who had contributed to your growth &/Or development of BPS and thereby repay him/her with a lasting tribute
- You are permanently assisting BPS in her continual effort to nurture future community leaders as the income from the scholarship fund provides an annual award plus extra revenue to enhance school education resources
- You have the privilege to a Plaque in the BPS School Hall on which you can dictate the inscription of a motto / message with which you wish to inspire current and future generations of Belilians

Special Purpose Donations

IT Fund

We are in an age of disruptive digital innovations. The IT fund helps the school to increase resources in this important area of knowledge and education effectiveness.

We have also received donations towards

Music Fund

BPS has a tradition for excellent music education. However, the cost of maintaining instruments and classes are high. Friends of BPS would have noticed we organized regular concerts to raise resources for the Music Fund. While we have in the past received many generous donations for enriching music education for young students, we would urge for your continual generous support for sustaining this great school tradition!

- Purchase of new Teaching Equipment
- Ecological Innovation
- Campus Improvement
- Student Exchange Programs

You would certainly have your own ideas of contributing to BPS. And we look forward to meeting you in our upcoming events in 2024 and 2025. We plan to send annual newsletters to bring you the latest news of our alma mater, and we welcome any suggestions to make us and the school a better organization. Please feel free to contact any of our Council members if you would like to speak to us!

*Certainly in the Belilian Spirit,
we strive to scale new heights,
stride by stride, day by day.*
