BOGA HIGH TEA TALK 2014

Walk in Hong Kong 活現香港

“探討香港文化及知識旅遊，讓人感受不一樣的香港！”

Speaker – Mr. Paul Chi-yuen Chan (陳智遠)
Co-Founder, Walk in Hong Kong

An erstwhile academic, a former ministerial aide in the Hong Kong government, and a man of finance in his present incarnation, Paul is principally an avid traveller, both modestly for fun, and a bit more lavishly for the corporate world.

When not wandering off to the more remote corners of the planet, he can be found temple or village-hopping on the edges of Hong Kong.

By founding Walk in Hong Kong, Paul is determined to uncover the unique history and charms of the city, and to show the world that his home turf isn't just, as the official storyline goes, a fishing-village-turned-metropolis, since there are actually more spectacular miracles to tell!
