Dear Alumni,

Belilios Public School will be experiencing her 130th anniversary this year. We are appealing for support of BPS. BPS is a public school and is not allowed to charge school fees. She relies entirely on government funding which is very basic. BPS is very famous in its musical development and we are seeking support to BPS with an additional music teacher and also to hire an IT technical assistant to assist the girls in their IT development. Further, BPS offers scholarships not only on academic achievements, but also to demonstrate a girl's overall development. We have a permanent scholarship scheme that a donation of \$50,000 will create a permanent scholarship each year of \$500.

Currently BPS has over a hundred scholarships to cover all aspects of students performance. We hope to upgrade some scholarships from \$500 to \$1,000 and to hire an additional music teacher and an IT assistant. This will cost no less than HK\$500,000 each year. Hence your help is very much needed.

Belilios Old Girls Foundation ("BOGF"), a charitable organisation was formed to help the school. Please go to the BOGF website <http://bogf.org/index.php/en/> or the 130th anniversary facebook <https://www.facebook.com/events/s/bps-130th-anniversary-gala-din/2658461104235968/?ti=ia> to learn more about BOGF work. Please do consider to contribute to the financial need of the school. If you have any questions, you can certainly call the school directly or contact my assistant, Miss Wing Y Chan by email info@bogf.org or by phone at 22460172.
